Thank you for your letter of 14 August 1958 concerning your interest in employment with this organization.

We had received General Shepherd's letter recommending you very highly but had delayed an answer until we could give him definite word concerning opportunities here for you. We are always interested in men of your excellent background but most of our recruitment is conducted at the junior officer level and openings for senior personnel are infrequent. Your resume was reviewed against our current needs and there appears to be no immediate opportunity for your appointment.

We appreciate your interest and regret that we cannot respond more favorably.

Sincerely,

Signed

C. P. Cabell
General, USAF
Acting Director
